The committee met to discuss options for the Spring Conference/AGM 2010

Attending: Deborah Garrity, Ann Whiteaker, Laurey-Anne Roodenburg and Stephanie Longstaff

- *The committee feels it is important to hold a conference on the Thursday evening and Friday day immediately before the AGM*
- *We feel we can cut expenses significantly*
- *One option we are going to explore is having the Conference at a hotel and the AGM at a nearby school*
- *Deborah and Stephanie will make many enquiries over the next week to compare availability and costs involved in each option.*
- *The committee will meet again next weekend to discuss those findings and report back to the board asap*
