BCCPAC Board Member Report

Standing Resolution Committee - Special Needs Parents July 19, 2009

This is to provide an update and advise that the Special Needs Committee has now added Jen Mezei (SD#41 Burnaby) to the committee and has yet to confirm the involvement of Stephanie Hotchkiss (Surrey). It has yet to be determined if this will be the final compliment for this committee.

The committee will be reviewing the current list of resolutions with the addition of #8 from the 2009 AGM and categorizing them in to current, achieved and archived. We will also be confirming that this is the complete list and that no other committee has resolutions that should be handled by this committee.

Thank you
Deborah Garrity
Committee Chair
