BCCPAC Board Member Report

Standing Resolution Committee (Formal Role of Parents)

This is a report on the current configuration of the Formal Roles of Parents-Standing Resolution Committee, and the timeline for work and recommendations to be presented to the Board.

The confirmed volunteers for this committee are Angie Carlyle and Sarah Turgeon-O'Brien.

I am in receipt of the recommendations from the previous chair of this committee, and will verify each.

The committee will commence work on the compilation from the previous committee in late August, as the current volunteers are busy with other committees. There are no new Resolutions added from the 2009 AGM, to the Current Statement of Policy that pertains to this committee. The recommendations will be completed and presented to the Board of Directors for the December Board Meeting.

Respectfully Submitted,

Ida Middleton
Chair
