

## Parent Information Resource Coordinators (PIRCs) 2009 – 2010 Directory

PIRCs source and share information, tools and resources with parents, parent advisory councils and the learning community to increase and improve parent involvement in every school and district in BC's public education system. PIRCs are graduates of the Supported Parent Leadership Seminar Series, sponsored and supported by the Ministry of Education, the BC Education Leadership Council and the BC Confederation of Parent Advisory Councils.

To connect with a Parent Information Resource Coordinator in your district consult the list below. If you require additional information about the program feel free to contact the BCCPAC office at 1.866.529.4397 or 604.687.4433, or by e-mail at [info@bccpac.bc.ca](mailto:info@bccpac.bc.ca).
